

This weekend saw the 44th London Marathon take place. After months of long and short training runs, many of them on The Camel Trail and supported by club members, 15 NRR's made the journey to the big smoke for their victory lap around the streets of London. Some were running their very first marathon others running in London for the first time with some getting PB's. Over 50,000 runners took part in the event starting at Blackheath and finishing on the Mall.

The mens race was won by Alexander Mutsio Munyao from Kenya in a time of 2:04, Peres Jepchirchir won the womens race in a new world record time of 2:16:16, the wheelchair races were won by Marcel Hug and Catherine Debrunner.

First male Newquay runner home was Matthew Murt in 2:37:11 with Rose Harvie being first female home for Newquay in a time of 3:33:03.
