NEWQUAY ROAD RUNNERS

GENERAL DATA PROTECTION REGULATIONS

New Members and Renewing Members

The principles of Newquay Road Runners data protection are as follows Data is processed securely, it is updated regularly, it is limited to what the club needs and it is used only for the purpose it is collected.

This is how your data is used inside the club.

Training and competition entry

- Share data with club coaches or officials to administer training sessions
- Share data with the race registration officer to enter races

Membership and club management

- Processing of membership forms and payments
- Share data with committee members to provide information about club activities, membership renewals or invitation to social events
- Publishing of race results

Newquay Road runners will never give out your personal information, other than what is stated above without written permission from yourselves this includes marketing and any other 3rd party.

Data Retention: If you wish not to renew your membership. Newquay Road Runners will not hold your data for any longer than 3 months after the 1st of November.

When you become a member of, or renew your membership with, Newquay Road Runners you will automatically be registered as a Member of England Athletics. We will provide England Athletics with your personal data which they will use to enable access to an online portal for you (called MyAthletics). England Athletics will contact you to invite you to sign into and update your MyAthletics Portal (which amongst other things, allows you to set and amend privacy settings). If you have any questions about the continuing privacy of your personal data when it is shared with England Athletics, please contact dataprotection@englandathletics.org.

I confirm that I have understood NRR data regulations. Also, I have been made aware of who holds my information, who has access and what it is used for. I understand England Athletics will hold my information and I have been given instructions on how to access my personal MyAthletics portal to change privacy settings if required.
